

5TH ANNUAL MILFORD COMMUNITY CLEAN UP

A heartfelt thank you to everyone who joined us this morning for the 5th Annual Milford Community Clean-Up at Bicentennial Park! Your dedication and hard work have made a significant impact in keeping our community beautiful.

Special thanks to the Chamber of Commerce for Greater Milford for organizing this wonderful event and bringing us all together for a common cause.

Together, we've shown the power of community spirit and the difference we can make when we come together. Let's keep the momentum going and continue to take pride in our neighborhood.

MOTHER'S DAY COMMUNITY DINNER

On May 10 in partnership with House of David, we celebrated Mother's Day with a Community Dinner. With some amazing volunteers! Thank you, House of David, for this great partnership, we will be doing another Community Meal for Father's Day on June 14 from noon to 2 pm.

THE EMERGENCY SUPPORT POP-UP "CARE STATIONS"

When the temperature spikes or plummets, most of us turn up the air conditioning or wrap ourselves in a blanket, but for many of our neighbors facing homelessness, poverty, or displacement, relief isn't so simple. That's why Milford Advocacy for the Homeless (MAH) is proud to introduce a new, compassionate response: the Emergency Support Pop-Up Care Station (ESPCS). These Care Stations are designed to meet people where they are with care, dignity, and life-saving supplies.

LITTLE HOUSES

George Meringolo is the owner of Little Houses, LLC. Little Houses works with engineers to create and provide a community atmosphere in a village setting. The little village homes are stick built one at a time and not mass produced and will employ/utilize multiple trades (carpenters, plumbers, electricians, sheet rock workers, painters and others). This is a great solution that is both sustainable, welcoming and a highlight to the community.

MAH will be sponsoring his presentation at the Milford City Council on August 11 at 6 pm. He will also be speaking at the Milford Public Library on June 11, 2025 at 5:30 pm.

A WARM MEAL, A WARMER WELCOME

Imagine going through the day unsure of where your next meal will come from. For many of our neighbors, especially a working neighbor, who misses the hours of the local drop-in center, this is the reality. That's why we're calling for a soup kitchen in **Milford on Thursdays, Saturdays, and Sundays, from 5:30 PM to 6:30 PM in the fellowship hall of a local church.**

A simple meal served with kindness can be a lifeline.

It's more than food—it's hope, connection, and dignity. Together, we can make this happen. If you can help with time, food, or resources, please reach out. Let's ensure no one in Milford goes hungry.
