DO MORE 24

"Help Us Support Delaware's Vulnerable Neighbors!"

This DoMore24, your donation can provide a lifeline to people in our community who need it most. Every dollar raised moves us closer to our \$10,000 target, directly impacting individuals and families in Milford and surrounding communities. Together, we can bring hope, stability, and resilience to those facing housing insecurity or homelessness in our community.

Your gift can make a life-changing difference:

- **\$20** provides multiple meals, Sr. Center Memberships, or a load of laundry
- **\$50** provides warmth items, a bicycle, gas or toiletries
- **\$100** supports our monthly events, where we distribute food, clothing, and household items to families and individuals on the brink of homelessness, transportation to Code Purple, Hospital, and events.

Please help us to support our vulnerable neighbors by donating starting March 6 at 6:00 pm.

A WARM MEAL, A WARMER WELCOME

Imagine going through the day unsure of where your next meal will come from. For many of our neighbors, especially a working neighbor, who misses the hours of the local drop-in center, this is the reality. That's why we're calling for a soup kitchen in **Milford** on an **occasional Tuesday, Thursdays, Saturdays, and Sundays, from 5 PM to 7 PM in the fellowship hall of a local church.**

A simple meal served with kindness can be a lifeline. It's more than food—it's hope, connection, and dignity. Together, we can make this happen. If you can help with time, food, or resources, please reach out. Let's ensure no one in Milford goes hungry.
