

## GRATITUDE IN MOTION

A HUGE thank you to the Ground Zero Thursday night men's group for moving our donated youth bikes from storage to the Haven of Hope Center, where we're excited to launch our new Bike Repair Workshop!

These bikes will soon be lovingly repaired and returned to the community, bringing joy, freedom, and FUN to the children of vulnerable families. Every turn of the pedal will be a reminder that childhood should be filled with laughter, play, and opportunity.

## 5TH ANNUAL MILFORD COMMUNITY CLEAN UP

A heartfelt thank you to everyone who joined us this morning for the 5th Annual Milford Community Clean-Up at Bicentennial Park! Your dedication and hard work have made a significant impact in keeping our community beautiful.

Special thanks to the Chamber of Commerce for Greater Milford for organizing this wonderful event and bringing us all together for a common cause.

Together, we've shown the power of community spirit and the difference we can make when we come together. Let's keep the momentum going and continue to take pride in our neighborhood.

## A WARM MEAL, A WARMER WELCOME

Imagine going through the day unsure of where your next meal will come from. For many of our neighbors, especially a working neighbor, who misses the hours of the local drop-in center, this is the reality. That's why we're calling for a soup kitchen in Milford on an **occasional Tuesday, Thursdays, Saturdays, and Sundays, from 5 PM to 7 PM** in the fellowship hall of a local church.

A simple meal served with kindness can be a lifeline. It's more than food—it's hope, connection, and dignity. Together, we can make this happen. If you can help with time, food, or resources, please reach out. Let's ensure no one in Milford goes hungry.
